The East Montpelier Development Review Board will hold a Public Hearing Tuesday, July 12, 2016 at 7:00 p.m. at the Municipal Office Building to conduct setback waiver or, if necessary, variance review of zoning application 16-027 submitted by Heidmarie Heiss & Stephen Holmes. The application is to add a sun porch to the south side of the house about mid-way back on the structure where a terrace is located currently. The Holmes house is one of the older East Montpelier homes, far pre-existing zoning regulations. As is often the case in these situations, the house violates the current setback expectations, being far too close to County Road. Procedurally, the only way to add elements to the non-conforming part of the structure is to request a waiver or variance of the rules from the DRB. The following notice will appear in the Times Argus Monday, June 27, 2016:

The East Montpelier Development Review Board will hold a Public Hearing on Tuesday, July 12, 2016 at 7:00 p.m. at the Municipal Office Building to consider the following:

Setback waiver or, in the alternative, variance review of Application #16-027, submitted by Heidmarie Heiss & Stephen Holmes, to construct a 15' x 8' sun porch addition to their residence located at 2888 County Road. The house is a §3.10 pre-existing, non-conforming structure in Zone E – Agricultural & Forest Conservation District, located partially within the mandated 75-foot front setback. The applicants request either a 3' §3.14 setback waiver or §7.6 variance relief from the front setback.

The applicant must hand deliver or send by certified mail a copy of this notice to all abutting landowners at least 15 days before the Development Review Board's hearing date. Neighbors do not need to attend the hearing unless they would like to make comments to the Development Review Board. **However, participation (in person or in writing) in the local proceeding is a prerequisite to the right to appeal any resulting decision or action of the Development Review Board, pursuant to 24 V.S.A. §4464(a)(1)(c).**

Questions may be directed to the zoning administrator at the East Montpelier Municipal Office Building (802-223-3313x204) or by e-mail at eastmontadmin@comcast.net.
