Important - Submit site location map which describes the property on which the proposed land development is to occur. The map should indicate the length in feet of each boundary, the location and dimensions in feet of the development within the property, the distance from that development to all adjacent property lines and the distance to the public road centerline. Each parcel created by land development should be clearly described.

READ BELOW CAREFULLY AND SEE SECTION D ON PAGE 2 OF APPLICATION:

In accordance with 24 V.S.A. §4446, no development or subdivision of land may begin in the Town of East Montpelier until all applicable municipal land use permits and approvals have been issued. The undersigned requests a zoning permit as described above, understanding that the permit will be voided and penalties imposed, if the land development is not completed as described. The permit will be voided if development is not substantially commenced within one year from date of issue. The undersigned hereby applies on the basis of the representations contained herein, and to the best of his/her knowledge believes them to be true. The undersigned acknowledges the Section D notices on page 2 of this application.
