Key to Organization Color Background:								
Organizations with an increased appropriation request for FY19								
Organizations with a decreased appropriation request for FY19								
New organizations for FY2019								
No longer a submitting organization at this time								
*For FY14 the Selectboard approved a \$1,000 increase above the Funding Committee's recommendation for CVHHH (\$4,200 instead of \$3,200);								
The Selectboard also removed the \$800 recommended for Montpelier Senior Activity Center and approved a separate warned article in the amount of \$2,800; this article passed at 2013 Town Meeting; A \$750 petitioned article for the Friends of the North Branch Nature Center also passed.								
Both the Montpelier Senior Activity Center (since FY15) and Central VT Home Health & Hospice (since FY17) have been removed from the funding request article and given separate funding articles on the town meeting warning. Both organizations, however, will still be expected to submit formal applications to the Funding Request Study Committee for review.								
^ Starting in FY16 RSVP folded into CV Council on Aging								
^^ Formerly Central VT Community Land Trust								
U-32 Project Graduation remains a thing of the past; no current expectation of a similar program in the near future
