

EAST MONTPELIER VILLAGE PLANNING OPEN HOUSE

The EM Planning Commission wants your ideas and opinions on planning for the future of East Montpelier Village. Help create a vision and determine where the boundaries should be. What should the mix of residences and businesses be?

Should we encourage greater density and how should the village look?

Look at maps and pictures. Jot down your ideas.

Thursday July 21, 2016

6:00-8:00 (Come Anytime)
