

Public Information & Input Meeting
**East Montpelier Village US 2/VT 14 Bridge & Intersection
Reconstruction**

Monday June 2, 2014 at 7:30 pm
U-32 Middle & High School Cafeteria
Gallison Hill Rd., Montpelier

The Vermont Agency of Transportation (VTrans) is holding a Public Information Meeting to update and gather input on the plans to replace the bridge and reconstruct the intersection. The current plan is to replace the aging structure, add turning lanes and signalize the intersection in 2016. VTrans is considering **closing** VT 14 during construction, for up to 75 days in the summer.
