

REPORT OF THE FUNDING REQUEST COMMITTEE

Our committee reviews requests for public support from local non-profit organizations and recommends appropriations to the Selectboard. The committee considers the nature of the services provided, the number of residents served, the availability of other funding sources, and each organization's ability to meet specific community needs, such as those of the disabled, vulnerable youths, or seniors. (Residents age 65 or older represent approximately 16% of the town's population.) Support from our town often provides the match necessary to secure funding from federal and state agencies or private donors.

Last year voters agreed to appropriate \$21,911 (1% of the budget) to support 27 organizations. This year the committee considered requests totaling \$25,111 from 27 organizations. New applications were received from Good Beginnings of Central Vermont, OUR House of Central Vermont, and Girls/Boys First Mentoring. Once again, the Selectboard has chosen to warn the Montpelier Senior Center request separately. The committee's recommendations are listed below, totaling \$22,561, a 3% increase over last year.
