SANCES LETTER OF SUPPORT

Over the past few weeks, I have worked with BDE East Montpelier Lazar Solar, LLC (“BDE” or “Applicant”) and AG Solar to prepare an agreement addressing project screening, GMP electrical pole location, replacement septic easements and beneficial use of lot 2 and lot 3, that satisfies both the Applicant and me. In addition, the Applicant has further explained to me other aspects of the Project. I now withdraw my Motion to Intervene dated 12/31/15 and my Motion to Objection dated 3/3/16 with respect to the Project, and withdraw my request for a hearing or further investigation so long as the Applicant implements the agreement dated April 29, 2016. With these changes, I support the project.

Dated at East Montpelier, Vermont, this 29th day of April, 2016.

Zachary Sances
