Established By Elwood Clark In 1927

February 15, 2016

Town of East Montpelier Select Board

In regards to your 2008 International 7600 that we reviewed for a trade value earlier this year, we would like to increase our trade figure to a value of **\$57,500.00** towards the purchase of a new 2017 International 7600 from us.

In addition to the increased trade value, we will also include International's **OnCommand Connection Service, with a 2 Year Subscription.**

OnCommand, teamed with the Telematics provider GeoTab, uses GPS to:

- Transmit truck Data (Fault codes, Location, Speed, Etc.
- Diagnose Faults and Identify Severity
- Generate real-time comprehensive vehicle health reports
- This information is provided to your Dealer to give more insight with fault code action plans that provide severity information and recommend solutions
- Lastly, this increases Vehicle Uptime and Lowers Repair Costs!
- **Free for 2 years!!**

In addition to these items listed above, if you are interested at looking into Extended Warranty contracts, we are willing to provide a **5 yr. Extended Towing Contract to you, up to \$550.00 per incident for a Warrantable failure "At No Charge"**

Sincerely,

Dan St. Cyr
