

Town items

East Montpelier conservation fund advisory committee meeting

December 3, 2016

Discussion items:

- Request by select board to reconsider the "goals" section.
- Add language "welcoming" proposals that conserve land that will aid small projects as much as large.
- Coordination with and response to. Concerns of planning commission.
- Inventory of land and resource attributes? Most data exists, but not yet compiled in form that could guide or predict decisions. What resources would it take to do that?

- The committee welcomes the creation of a conservation commission.
- Short term thought.....add consideration of ANR data to 2016/2017 goals revision ,,or do this as part of a cross reference to Town Plan.
- Use of front porch forum to recruit two new members. Michael Dworkin would like to step down.

Motions Passed:

- Charles Johnson elected to chair for 2017.
- Request for town funds.
