

NOTICE

TOWN OF EAST MONTPELIER

**Notice of Public Information Meeting
East Montpelier Village Safety Improvement Project**

6:00 P.M.

MONDAY, September 19, 2016

AT THE EMERGENCY SERVICES FACILITY
(East Montpelier Fire Station #2, 54 Village Acres)

The Town of East Montpelier will be holding a public information meeting to review the status of the Village Safety Improvement Project. The project consists of new sidewalks that will connect the existing northern US Rte. 2/VT Rte. 14 intersection sidewalks with the soon-to-be-built southern US Rte. 2/VT Rte. 14 intersection sidewalks, new crosswalks, and granite curbing, as well as shoulder and drainage improvements in East Montpelier Village along the US Rte. 2/VT Rte. 14 corridor. The Town received a grant for the project from the Vermont Bicycle and Pedestrian Program with funding provided by the Federal Highway Administration and the State of Vermont, along with 10% local match funds from the Town of East Montpelier. The project team of Kevin Russell, Local Project Manager, and Brian Breslend, P.E. with DuBois and King, will present the preliminary engineering plans that have been approved by the Vermont Agency of Transportation. The project team will explain the impacts and benefits of the design, the project schedule, and other relevant details. Following the presentation, the project team and Selectboard will take questions and comments from the public.
