Other facts that may assist the Selectboard in its investigation [for example: name/address of owner of alleged suspected dog; description of suspected dog; circumstances leading to attack; and similar details]:

On May 28, 2017 at approximately 4:30pm I was riding my bike up the hill on Brazier Road when suddenly and without warning a light colored dog lunged out of the bushes and bit my right flank. I immediately separated myself from the dog and rode my bike as fast as I could away from the incident. I went to the CVMC Emergency Room where the wound was treated.
