As in the past, The Gully Jumpers Snowmobile Club requests permission to use short designated sections of Town Roads in order to traverse through difficult areas of town.

The short sections are described below:

- Coburn Road – crossing requires the use of Coburn covered bridge to cross the river.
- Snow Hill Road – crossing is a 45 degree crossing over Sodom Pond Brook.
- Center Road – crossing utilizes the bridge to cross Bennett Brook
- Haggett/County Road – crossing utilizes the very end of Haggett road, then crosses County road at the intersection of Haggett road.

Thank you,

Derek Pryce, Officer
