Motion: I move to approve the November 7, 2017 minutes as amended. Made: Don Welch. Second: Kim Watson. Vote on motion: passed unanimously.

Hearing Open at 6:26 on the FY 2018 Capital Plan for FY 2019 Budget

Jean Vissering discussed the potential for the goals and/or some of the actions outlined in the East Montpelier Village Master Plan and outlined in the revised Town Plan get on the CIC Planning Budget in the future. Items that will relate to a CIC budget and what the town should think about are: additional sidewalks, transportation, water systems and wastewater treatment. Since this discussion was not related to the current plan, the CIC instructed Ms. Vissering on the CIC budget planning process and provided guidance on completing an application on line to add money and items to the CIC capital plan. The process is to identify projects and develop costs. The CIC will work with this information and assign priority to the items. We will also provide guidance throughout the whole process as it relates to future planning on the Village Master Plan.

No comments received regarding the FY 2018 Plan, therefore, the hearing was closed at 7PM.

Motion: I move to approve the 2018 Capital Plan and submit it to the selectboard for the FY 2019 budget. Made: Gene Troia. Second: Don Welch. Vote on motion: passed unanimously.
