TOWN OF EAST MONTPELIER CENTRAL VT INTERNET POSITION VACANCIES

As a result of the 2018 Town Meeting actions by numerous central Vermont towns, including East Montpelier, a new communications union district known as Central Vermont Internet is in the process of formation. The purpose of the district is to provide community-based, high speed internet service to central Vermont. Each member town now needs to appoint a representative and alternate to the new district's governing board. East Montpelier is seeking applicants for those two slots and would also like to develop a list of candidates for committee posts that may be available as the district develops, such as advisory board representatives in technical, financial, fundraising, and outreach areas.

If you would like to be considered for these positions or simply want more information, please contact:

Bruce Johnson
East Montpelier Town Administrator
PO Box 157
East Montpelier, VT 05651

Applicants should, at a minimum, submit a detailed letter of interest. The Selectboard will consider appointments at the April 9, 2018 board meeting. All applicants are invited to participate in this discussion, which will occur at 7:00 p.m. at the town office building.
