Re: East Montpelier Zoning Application #18-007

Dear Mr. & Ms. Rice:

Please find enclosed the written decision of the East Montpelier Development Review Board approving your subdivision application #18-007 as presented. You have the right to appeal the decision of the Development Review Board. 10 V.S.A. §8504, 24 V.S.A. §4471 and V.R.E.C.P. 5 provide guidance on appeals to the Environmental Division of the Vermont Superior Court, but should you wish to appeal you should seek the advice of an attorney to determine your rights and duties in this particular situation. Generally any appeal must be filed with the Environmental Division within 30 days of the issuance of the decision.

Based on the above-referenced DRB approval I have issued East Montpelier Zoning Permit #18-007 for a 2-lot subdivision of your property at 855 Jacobs Road. You have 180 days to duly file and record a mylar copy of the approved subdivision plat with the East Montpelier Town Clerk as required by the East Montpelier Land Use & Development Regulations Section 6.6 coupled with 24 V.S.A. §4463(b). The mylar must be certified by me, the zoning administrator, as a true copy of the approved subdivision plat prior to recording.

Please remember that land development on the new lot will require additional permitting, both at the local and state level. Further, if/when you either sell or commence development on Lots 3 & 4, I'll need to issue E911 street addresses for the lots. Feel free to contact me if you have any questions concerning this matter.

Sincerely,

C. Bruce Johnson
East Montpelier Zoning Administrator

East Montpelier Zoning Application #18-007

INTRODUCTION & PROCEDURAL HISTORY

1. On April 11, 2018, Robert (Bob) & Lorie Rice filed an application with the Town of East Montpelier to subdivide their property located at 855 Jacobs Road. The proposal would divide the 16.28-acre parcel into 2 lots: Lot 1 of 9.15 acres with existing structures and frontage on Jacobs Road; and, new Lot 4 of 7.13 acres served by an access easement over Lots 1 & 3 (an undeveloped lot created by a previous Rice subdivision in 2005).
2. The property in question is located in the Agricultural & Forest Conservation District – Zone E, where the minimum lot size is 7 acres and subdivisions require approval from the Development Review Board.
3. Applicant representative Kris Jurentkuff appeared before the DRB on April 3, 2018 for an East Montpelier Land Use & Development Regulations Section 6.3 sketch plan review of the proposed subdivision.
4. A public notice was duly published in the Times Argus on April 14, 2018 for a hearing, which was conducted on May 1, 2018.
5. Applicants/owners Bob & Lorie Rice, applicant representative Craig Chase, and Zoning Administrator Bruce Johnson appeared and participated in the May 1, 2018 hearing. There was no additional public comment.
6. The Board members who voted on this issue at the May 1, 2018 hearing were Curtis, Welch, Dworkin, Watson, Lange, Kappel, Cueto, and Lane.

FINDINGS OF FACT

1. Bob & Lorie Rice own a developed 16.28-acre parcel located at 855 Jacobs Road. The current proposal is to subdivide the property to create a new 7.13-acre deferred development lot (Lot 4) and a 9.15-acre remainder lot (Lot 1) with the existing structures.
2. In 2005 Mr. & Ms. Rice were approved for a 3-lot subdivision of their 30-acre parcel, creating two new approximately 7-acre building lots: Lot 2 with direct access on Jacobs Road; and, Lot 3, which was served by an access easement over Lot 2 and Lot 1. The two lots were to be served by a single driveway passing partially over Lot 2. Lot 2 has since been developed; Lot 3 is still undeveloped and remains under Rice ownership. In 2015 the 60-foot access easement for Lot 3 was shifted off of Lot 2 and placed entirely on Lot 1. A residential curb cut permit was issued for the benefit of Lot 3 on November 2, 2015 (application #15-035).
3. The property is located in Zone E – the Agricultural & Forest Conservation District, where a conforming lot requires 7 acres and either 350 feet of road frontage or an approved access easement. Lot 1 contains 9.15 acres with approximately 705 feet of frontage on Jacobs Road. Lot 4 of 7.13 acres has no road frontage and will be served by a 60-foot shared (with Lot 3) easement over Lot 1 coupled with a 30-foot easement over Lot 3.
4. The East Montpelier Selectboard approved the multi-residential access (curb cut) on Jacobs Road that will serve both the proposed deferred development lot (Lot 4) and Lot 3 from the 2005 Rice subdivision on April 23, 2018 (application #18-008).

CONCLUSIONS

The standards for the issuance of a subdivision permit are set forth in Sections 6.7 through 6.10 of the East Montpelier Land Use & Development Regulations. It is found that the standards in Sections 6.7, 6.8, & 6.9 have been reviewed, and the proposed subdivision meets all applicable requirements once the existing shed is removed. It is further found that Section 6.10 does not apply to this project.

DECISION

By unanimous vote, the DRB approves Zoning Permit #18-007 to allow the further subdivision of the Rice parcel located at 855 Jacobs Road as presented.

This subdivision approval is subject to the East Montpelier Land Use & Development Regulations Section 6.6 plat recording requirements which, among other directives, mandate the filing of a mylar copy of the approved subdivision plat in the East Montpelier land records within 180 days of the date of subdivision approval.

Re: Subdivision Application – Bob and Lorie Rice, Jacobs Road

Dear Bruce,

Please find attached a formal application for the re-configuration of the 2005 subdivision of Bob and Lorie Rice as was presented to the Development Review Board for conceptual review at the hearing on April 3.

The changes to the previously approved subdivision proposed are as follows:

- 1) Further subdivision of Lot 1 with the existing residence into two lots: Revised Lot 1 of 9.15 acres with the existing residence and new Lot 4 of 7.13 acres. No development is proposed on Lot 4;
- 2) Creation of a relocated 60' wide access and utilities easement to serve previously approved Lot 3 and new Lot 4;
- 3) Creation of a new 30' wide access and utility easement over the south end of Lot 3 to serve new Lot 4;
- 4) Relinquishment of the portion of the previously approved 60' wide right-of-way serving Lots 2 (now land of Morse) and Lot 3 lying on the land of Morse.

As noted, no development is proposed on Lot 4 at this time. It is understood by the owners that any future proposal for the development of Lot 4 will required review and approval by the Board. A condition to that effect is anticipated.

It is my understanding that the right-of-way relocation and relinquishment noted in 2) and 3) above were approved by the Board in 2015, but no mylar to support that approval was ever filed. The followup to this application will correct that oversight. It is also my understanding that in 2015 the Selectboard approved a new curb-cut within the relocated 60' right-of-way, but that that curb-cut was approved to serve only Lot 3. In order to serve Lot 4 as well, an amendment to the 2015 curb-cut will be required. That approval will be sought prior to the May 1 hearing date for this application.

If there are any additional questions or concerns regarding this application, please don't hesitate to call.

Sincerely,

Kris Jurentkuff
Project Manager
