FY2019 BUILDING COMMUNITIES GRANT PROGRAM: RECREATIONAL FACILITIES GRANT

Enclosed is the FY2019 Recreational Facilities Grant Program application administered by the Department of Buildings and General Services. The goal of the program is to provide competitive grants to municipalities and to non-profit organizations as defined in chapter 117 of Title 24 to stimulate recreational opportunities in Vermont communities.

This is a competitive grant program and not all applicants will receive funding nor will awarded applicants necessarily receive the full amount of funds requested. This program provides last gap funding for shovel-ready projects and does not support ongoing fund-raising initiatives. It is the intent of the legislature that applicants applying for any of the Building Community Grant Awards **shall not apply for more than one grant** as defined in Chapter 137 of Title 24 for the **same project** in the current calendar year, *in any category. (Building Community Grants Programs)*. This does not prohibit organizations from requesting funding for a **different** project in an alternate location under any of the grants.

Grants will be awarded by the selection committee on a competitive basis. The committee gives priority consideration to applicants demonstrating they have strong community support through the success of local fundraising campaigns. Grant award recipients will be announced in the fall. If there are any remaining funds, they may be awarded on a rolling basis at the convenience of the grant committee.

Please pass this information along to any organization or interested parties that may qualify for this or one of our other grant programs.
