

East Montpelier Fire Department

P.O. Box 255, 54 Village Acres, East Montpelier, Vermont 05651

Seth and Denise,

The fire department was surprised following our joint meeting to see the minutes of the following joint selectboard meeting. At our meeting, we heard mention of a hopeful limit in Calais of three percent for budget requests.

No one asked us what the impact of a reduced budget would mean and its effects on the department. We are scrambling to make sense of the reduction.

We are requesting a chance to discuss our concerns on the under-funding at a joint meeting as soon as is possible.

Please find a time we can come to a joint meeting at either selectboard.

Toby Talbot
EMFD President
