- Minutes from December meeting approved
- Financial overview
  - Lacrosse jerseys have not gone through processing yet, invoice has been sent to the town.
  - Currently have \$10,600.
  - Reimbursement checks have been or are being issued to members.
  - Board unanimously approved up to \$425 for Jan to spend on the Easter Egg hunt this year.
- Lacrosse
  - Bob has placed an order for 60 reversible jerseys.
  - More girls than boys have expressed interest so far. Finalized registration form will be completed and available soon.
  - Discussion about field use. Lacrosse may use one of the fields next to the school. Bob will put in a building use form with Mike Blanchard for the space.
- Basketball
  - Jack reported that the season continues to be going very well.
  - K-2 program is also running now. Large number of K-1 kids.
  - 5/6 Girls won the Williamstown Tournament two weekends ago. Playing in the championship game of the Twinfield Tournament this coming Sunday.
  - Had issues with the scoreboard keypad a few weeks back. Appears to be where the electrical cord attaches. Have not had many problems since but if issues persist we will need to look at trying to repair or replace. It is pretty old at this point and a replacement at some point may make sense regardless.
- Baseball
  - Nothing much to report from Paul.
  - Registration for little league will open online by the end of January with a deadline at the end of March.
- Social Media

- Bob asked about whether or not we can create EM Rec social media accounts, as we are part of the town. Jack will follow up with the town for more information.
- Easter Egg Hunt
  - Easter Egg Hunt at Rec Field will take place on April 13 at 10 AM.
- Tabled discussion about sports scheduling program as Alex was unable to attend.

Meeting adjourned 7:05 PM

Next meeting to be held on February 11, 2019 at 7:15 PM, East Montpelier Elementary School.
