RE: Proposed 2-Lot Subdivision, Pauline Coburn, 139 Daggett Road, Parcel ID #08-018.000.

Dear Bruce,

Please find attached what we hope to be a complete application for preliminary and final review of the subdivision of the lands of Pauline Coburn. As presented at sketch plan review on August 7, 2018, Pauline owns a parcel of 79.49 acres with an existing single-family residence. The proposal is to subdivide Lot 2 of 18.7 acres from the whole, leaving Lot 1 with the remaining 60.79 acres.

Lot 2 will have 18.7 acres and will be served by a 60' Right of Way off of Daggett Road. Pauline already has a multi-residential curb cut permit (East Montpelier Access Permit #18-032) for Lot 2. Lot 1 has the remaining 60.79 acres with an existing single-family residence, and has approximately 700' of frontage on Daggett Road.

Lot 2 is to be served by an on-site water supply and sewage disposal system. Adequate soils for a mound-type disposal system have been identified on Lot 2. A replacement area designation for Lot 1 is not required as the existing sewage disposal area is a mound.

A review of the State ANR Natural Resources Atlas reveals no identified protected or endangered natural features, or any wetlands. A printout of that review is included here.

In keeping with the owner's wishes to defer development of Lot 2 at this time, we have not identified building envelopes; applicable setbacks have been shown. Certainly, areas suitable for development will be controlled by the required setbacks applicable to the zone. But the owner does not believe that further restricting the location of development by simply saying "you must build here", is the best way to approach the development of these large parcels.

This proposal reflects the owner's wishes as to how to approach the subdivision of their land. We believe that the subdivision as presented is in full conformance with the Development Regulations and hope that you and the Board agree. As always, if you have any questions or comments about this application, please don't hesitate to call. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Timothy Morris".

The portion of the easement next to Daggett Road will be held in common with the access easement serving the Carolyn C. Sieven Trust property at 140 Daggett Road. The curb cut on Daggett Road has already been approved for multi-residential use by the East Montpelier Selectboard. The following notice will appear in the Times Argus Saturday, March 23, 2019:
