Statement Regarding Remote Public Meeting

The Chair noted that as a public body, the PC must still follow open meeting laws. Vermont is allowing remote meeting. The Chair read the official statement from the state regarding meeting electronically.

Roll Call Attendance

The Chair took roll call attendance; the PC members noted above were present.

Review Remote Meeting Guidelines

The Chair noted the following guidelines and suggestions for remote meetings:

- Meetings can be challenging, be patient
- Keep your mic muted unless you want to speak
- Participant list – members are able to raise hands to be recognized
- Put comments on the chat screen
- Unless unanimous, votes must be done by roll call

Mr. Sullivan has volunteered to handle the technical side of remote PC meetings. Send him a text during the meeting if there are any technical issues.

Consider Auto Recess if Technical Difficulties Arise

It was suggested that the PC cover this issues once and make sure it covers all remote meetings going forward. It also may be possible to have 3 people meeting at the Town Office after the Stay Home Stay Safe order expires on May 15, 2020. There is concern that the meeting may be zoom-bombed. Mr. Sullivan has set up a waiting room. There was a suggestion to have a motion to automatically recess to the next meeting date if all participants are dropped off.

Motion: I move that if the PC cannot keep a quorum during a remote meeting, the meeting will be ended and will be continued to the next regularly scheduled PC meeting. Made: Mr. Hess, second: Ms. Watson

Vote on Motion: Passed 9-0
