

Good Afternoon Guthrie,

Thank you for reaching out today for your quote from Pete's Equipment. I have prepared some info for the Select Board, as well as yourself.

The 2020 Kioti CK 2510 HST 2 range Transmission, 540 PTO, Four Wheel Drive, adjustable Cat.1 three point hitch, power steering, and Max three point hitch lift of 1,205lbs.
Power steering. Comes with a KL 2510 loader with a quick attach 50" bucket.
Tractor price with the mid mount PTO of **\$17,249.00**

The 54" Snowblower with Hydraulic rotation chute, and manual deflector operation
Blower cost of..... **\$6,150.00**

Bauman Model 640 sander... with PTO or Hydraulic drive for the sander. Estimated sanding distance of 3.3 miles; Sander weighs 315 lbs.
Sander Cost of..... **\$3,570.00**

A day cab or cover I would allow \$2,000.00 for – it is nothing fancy. The CX model is new this spring and there are not many cabs made for the tractor yet.

Please feel free to reach out at anytime with questions or concerns.

We Look forward to hearing back from you. My contact info can be found below.

Thanks again

Michael Howrigan
