Howdy!

I look forward to meeting with everyone this evening. I'm thinking this order form within the forwarded email may help in understanding the physical rink we're looking to set up for the winter.

The gallery linked above may give you an idea of what the rink looks like when it's all set up. My colleague Paul Winters will be joining me tonight, and I'm hoping we will be able to answer any questions folks may have.

Thanks again,.

Mike
