- 6.** Soccer Update – Kate – had 68 total kids in the 3-6 and 31 kids in K – 2. Everything has gone very smoothly. No calls to the COVID coordinator so far. No outside games this year but the kids have scrimmaged other EMES teams. Season wraps up the 10/23.
- 7.** T shirt sales – EMES soccer shirts we sold 75 which was way over our estimate and thus received a \$205.00 “bonus” from the maker. The board discussed options including restricting it for a specific purpose. Funds have not yet been received and the EMRB will continue discussion at the next meeting.
- 8.** Basketball – VPA has bumped their decision on winter sports guidance until 11/1. Use of space will be an issue. We may have to look at renting non-school basketball courts for our kids. Jack is keeping a close eye on all of this and will provide recommendations to the EMRB as things unfold over the next few weeks
- 9.** Shed/new sign - Eryich Stauffer is willing to design and build a new sign for the field. He can work on the project during November. We discussed having a movable sign vs. a fixed sign. We also discussed having the sign on the shed or separate.
