Re: Wrightsville Hydroelectric Project (FERC Project No. 5124), Notice of Final License Application

Dear Sir/Madam:

On October 30, 2020, Washington Electric Cooperative (WEC) submitted a Final License Application (FLA) to the Federal Energy Regulatory Commission (FERC) for a subsequent license for the Wrightsville Hydroelectric Project (Project), a conventional hydroelectric project located on the North Branch of the Winooski River in Washington County, VT.

WEC is required by FERC regulations to notify all adjacent property owners to the Project and its lands of the filing of the FLA. The existing Project works consist of a) a hydraulic house, b) an access road to the hydraulic house, c) a 445-foot-long, 5-foot diameter above-ground penstock, d) a 1,320-square-foot powerhouse containing three fixed flow turbines – 96 kW, 259 kW and 578 kW, e) a substation adjacent to the powerhouse, f) 4.16 kilovolt (kV) generators feed 4.16 kV switchgear within the powerhouse which feeds three 4.16/12.5 kV, three 500 kilo Volt Amp (kVA) transformers located in the substation and adjacent to the powerhouse, g) from the substation, a 12.5 kV line feeds a 450-foot-long transmission line and h) appurtenant facilities.

The FLA consists of two (2) volumes and their titles and security designations are as follows:

Volume 1 of 2: Final License Application-Public

- Initial Statement
- Verification Statement
- Exhibit A- Project Description
- Exhibit E- Environmental Report
- Exhibit F- General Design Drawings (non-Critical Energy Infrastructure Information [CEII] Material only)
- Exhibit G- Project Boundary Maps
- Exhibit H- Plans and Ability to Operate the Project

Volume 2 of 2: Final License Application- CEII

- Exhibit F- General Design Drawings
- Supporting Design Report

An electronic copy of the FLA is available for download at the FERC website using the following FERC eLibrary weblink: <https://elibrary.ferc.gov/eLibrary/search>. Enter Docket Number "P-5124" and click enter and the FLA will be available for download.

If you have any questions about the FLA or would like additional information about the Project please do not hesitate to contact me at 802-223-5245, at the address below, or via email at [patty.richards@wec.coop](mailto:patty.richards@wec.coop).
