EAST MONTPELIER

Central Vermont Home Health & Hospice (CVHHH) is a not-for-profit Visiting Nurse Association serving 23 communities in central Vermont with skilled nursing care, physical, speech, and occupational therapy, medication management, social work support, and personal care to central Vermonters of all ages in the comfort and privacy of home. The organization is governed by a volunteer Board of Directors, each of whom lives in CVHHH's service area. CVHHH is guided by a mission to care for all central Vermonters regardless of a person's ability to pay, their geographic remoteness, or the complexity of their care needs. CVHHH embraces new technology and collaborates with other local providers to ensure that central Vermonters' care needs are met. In addition to providing medically-necessary care, CVHHH promotes the general welfare of community members with public flu and foot-care clinics and grief and bereavement support groups.
