

REPORT OF THE FUNDING REQUEST COMMITTEE FOR FY2022

Requests for public support from local non-profit organizations continue to increase to fulfill the need for social services in East Montpelier and the region. Our committee evaluates these requests by considering the nature of the services provided, the number of residents served, the availability of other funding sources, and each organization's ability to meet specific community needs, such as those of the disabled, vulnerable youths, or seniors. Most organizations rely on multiple sources of revenue; the local support from our town often provides the match necessary to secure funding from federal and state agencies or private donors.

Last year voters agreed to appropriate \$21,541 (just under 1% of the town budget) to support 37 organizations. This year the committee considered requests totaling \$21,366 from 35 organizations, down two from last year. There were no new organizations, Project Independence closed its doors on June 1, 2020 and Rural Community Transportation will have a separate article as it will now be receiving the bulk of the funding for the US2 Commuter bus service. In an effort to provide greater funding for organizations serving on the front lines in the battle against COVID-19, the committee augmented the proposed funding for Good Samaritan Haven, Onion River Food Shelf and People's Health & Wellness Clinic. The committee's recommendations are listed below, totaling \$21,466, a 0.3% decrease from last year.

The FY2022 funding recommendations appear **in bold** in the list below along with the amounts approved in the previous two fiscal years. If available, we have included the number of residents directly served. Please feel free to contact these organizations when in need, to volunteer your own time and skills, or to make additional financial contributions.

American Red Cross, Northern New England Region (800-464-6692) provides immediate relief and shelter for victims of disasters, works to educate citizens on health and safety issues, organizes blood drives, and provides local personnel with trainings on disaster preparedness and shelter operations.
