Jack Zeilenga

East Montpelier Recreation Board, Chair
40 Kelton Rd
East Montpelier, VT 05651

Dear Mr. Zeilenga,

I'm writing to you today with interest in joining the East Montpelier Recreation Board as a voting member. I have been a resident of East Montpelier for 13 years and have two sons of elementary age at East Montpelier. Our family and boys are active in each season in programs offered by the board including soccer, basketball and baseball. My experience includes lending a helping hand whenever needed for set up, pick up, score keeping, running drills, helping with batting order and dugout management, as well as team announcements and photography. I helped to lead the successful Cub Scout program in East Montpelier for several years as the Chairman and Den leader. We were able to successfully fundraise, organize community events, and contribute back to the community through volunteer efforts with the Fire Department and Green Up day programs. I would love to be able to do more for the community as a member of the recreation board. I have lots of ideas to share for community events, program communication and other activities. I am very organized, enthusiastic, outgoing, and love outdoor activities.

I ask that you please consider me for the 9th spot on the East Montpelier Recreation Board.

Sincerely,

Anne Lamere
