East Montpelier, Vt. 05651-0157

Dear Funding Request Committee:

This request is asking the taxpayers of East Montpelier to raise the sum of $5,000 for the operating expenses of Twin Valley Center during the fiscal year 2022. We ask the six towns in the area we serve for funding at Town Meeting. The following requests to those towns include, Marshfield, Calais & Cabot $3,000. Woodbury $1,200 and Plainfield $3,500.

As an organization that plays a vital role supporting the elderly in our area, know that taxpayers support is important to help us sustain the center. The center can be used by all community members to have a gathering place that could be used for many different functions and events.

The year 2021 has hit the senior center just like many organizations. Closure, re-opening, Covid protocol's, and the ability to have in-person fundraisers made it difficult for activities and events that helped us through past years.

We need to depend on town taxpayers and community members to be able to do all that we normally do to make the center a welcome homey place with lots of activity for all residents.

We have been able to continue the Meals on Wheels program and regularly reach out to our homebound seniors and congregate members to check on them. Luckily, we have been able to reach out for small grants to help purchase the expensive containers and delivery bags. These grants do not cover all expenses but, does help us toward continuing meals to the homebound.

Please find attached TVSC profit & loss for FY20-21. I hope this will help you understand TVSC finances and the reason we are asking for the help of the taxpayers.

Thank you in advance for your attention to our request and feel free to contact me at the above contact information.

Warm Wishes,

Executive Director
