Good morning Gina, can you please forward this message to this selectboard. Thank you

Dear East Montpelier Selectboard,

Thank you for considering supporting AllTogetherNow!'s request for ARPA funds.

AllTogetherNow! treasurer has signed a fiscal agent agreement to support the needed upgrades for the AllTogetherNow! community Arts Center Building. If you want to receive a copy of this agreement for your records, let me know.

The egress windows have been installed and this week we will be submitting the permit required by the State to move forward with the required code work in the basement.

We are meeting with the lead contractor for this work this week and have contracted with an electrician to do the required electrical wiring.

I hope you will be able to support us in getting all the necessary work done to secure the tenancy of our building.

Much appreciation

Janice Walrafen
