

# Thomas Brazier

I am interested in completing the term on the East Montpelier Select board that was created by the resignation of Jon Jewett.

My family has owned property in East Montpelier for over 120 years. We operated a dairy farm until 2008. We continue to operate a trucking business and grow sweet corn.

I did Business Consulting from 1990 – 2012 for a number of clients including The Trust for Public Lands, North Star Fireworks and ATC and Spectrum Towers Telecommunications Companies, representing them in various capacities including issues before the Vermont Legislature, applications before local government entities and state agencies for various regulatory proceedings such as ACT 250.

I am the owner and operator of Windyvale Retirement Solutions.

As a Financial Advisor and an Investment Adviser Representative I provide sound advice to my clients both for Personal and Business. As an Insurance Broker, I represent a number of Insurance Companies.

I served on the East Montpelier Selectboard from 1993 to 2008. I am familiar with the Budget and how the Town works.

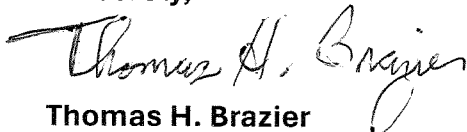

I was very involved in the creation of the Town's first Capital Budget and the largest paving project the Town completed.

I have been a member of the East Montpelier Fire Department for over 50 years starting as a Junior Firefighter. I have held a number of positions from Board of Directors to Fire Chief.

I have provided training for colleagues in the Fire Department for both fire ground and emergency medical services as well as in the insurance industry. I work with a wide variety of people and businesses, and I am a firm believer in transparency.

I believe my expertise and experience would be an asset to the Town. I would welcome the opportunity to serve the Town once again in this capacity.

Sincerely,
