

East Montpelier Fire Department

P.O. Box 255, 54 Village Acres, East Montpelier, Vermont 05651

February 23 2024

Attention East Montpelier Town Select Board

Regarding East Montpelier Fire Station One, known as Templeton Station

East Montpelier Fire Department hereby notifies the Select Board of our intention to fully occupy the Templeton Station commencing April 1 2024. The ~~MOU~~ dated March 5, 2014 provides that we may require the Town to remove its equipment. This is to satisfy our need of space for equipment and vehicles as well as resume the care and upkeep of the area currently used by the town road crew.

Once East Montpelier Fire reoccupies the building, East Montpelier Town will be removed from the certificate of insurance as a named holder.

Respectfully, the East Montpelier Fire Department Board of Directors at the desires of the Membership and discussed at the January 2024 membership meeting.
