## FEATURES

- Durable Powder Coated Frame
- Electric Start (N/A DC-3003)
- Hour Meter
- Pressure Relief Valve
- Removable Poly Fuel Tank
- Roll Cage Frame
- ½" Schedule 80 Steel Pipe Coil
- Shock Absorbing Engine Base
- Stainless Steel Combustion Chamber
- Hardened Stainless Steel Nozzles
- Trigger Gun Control
- Triplex Ceramic Plunger Pump
- Variable Pressure Wand
- Low Oil Engine Protection
- 18 Amp Charging System
- 12V Ignition System
- Racor Fuel Water Separating Filter
- High Limit & Low Water Shut Off
- Thermal Pump Protection
- Downstream Chemical Injection
- Stainless Steel Side Panels
- Four Wheel Design
- Pneumatic Tires
- Removable Wheels For Floor Mounting
- Integrated Hose Reel Receiver Mount
- Centralized Lifting Point

## A Closer Look at the Features:

- Vanguard/Honda Engines**  
Time proven dependability.
- Electric Start**  
Allows for quick and easy operation, without pull cord strain. (except DC-3003)
- Shock Absorbing Engine Base**  
Dampens vibrations reducing engine and frame fatigue, prolonging life.
- Removable Poly Fuel Tanks**  
Prevents corrosion saving costly replacement.
- Hour Meter**  
Allows you to keep track for periodic maintenance.
- Adjustable Temp. Control**  
For your precise temp. control.
- Stainless Steel Combustion Chamber & Side Panels**  
Maintenance free, durable protection.
- Pressure Relief Valve**  
Prevents injury and cost due to an over-pressurized system.
- Pneumatic Tires**  
On dish wheels for mobility.
- High Efficiency Burner**  
Conserves fuel & your dollars.
- Optional Clutch Drive**  
Save money by lengthening the life of your pump.
- Durable Powder Coated Heavy Duty Roll Cage Frame**  
Prevents frustration due to loose bolts & rusty wear points.
- Exclusive Coil Design**  
Heats water quicker & more efficiently.
- Industrial Strength Triplex Pump**  
Built strong to handle the roughest demands.
