TOWN CLERK'S OFFICE
EAST MONTPELIER, VT

Dear Rosie,

Per our phone conversation on Monday, I am writing to request a tax abatement of my property tax for the period of April 16, 2023 thru February 5, 2024. On April 16th of 2023 a house fire destroyed my home and I had to relocate until the house was completely renovated. I was able to move back into my home on February 5, 2024 per my General Contractor Ty Rolland. During this whole time, I had to pay rent for alternative housing as well as meals at local restaurants - this was very expensive. I also had to pay my monthly mortgage payments. I also in good faith paid my property taxes.

I am an elderly woman who has major health problems and was also hospitalized several times during this period of time. Stress of this trying to furnish and organize my new home has further impacted my health. Also my income is just Social Security and a small pension. I also paid my May and November taxes.

Thank you for your help and I look forward to hearing from you.

Sincerely,

425 Quaker Road
