## ▶ Terms and Conditions

### Estimates and Warranty

#### Estimate of Labor Costs

The labor costs outlined in this document are estimates. Actual installation will be based on time & materials with the exception of flat rate services. Labor will be billed according to the terms set in your Master Services Agreement. If you do not have a monthly services agreement, then this work will be billed at our prevailing rates when the work is performed.

#### WARRANTY

We extend the manufacturer's warranty at our cost to include the labor required to swap out failed component for duration of manufacturer's warranty period. Warranty excludes costs for data recovery or reprogramming network systems.

- Pricing is valid for 30 days, and all orders are subject to product availability. In the event that quoted gear is not available at the time of order, we will work with Client to spec acceptable substitutes.

### Pricing & Special Orders

Pricing for products and services quoted in this proposal are valid for 30 days. If payment is received more than 30 days after the date of this quotation, your invoice will be updated to reflect current pricing and availability, and a balance may be due. You agree to these terms and conditions.

All products sold are special ordered, and will be subject to restocking fees if returned or refused.
